Project 7 – Introduction to the Certified SolidWorks Associated CSWA Exam 7-1
Project Objective 7-3
Introduction 7-3
Intended Audience 7-3
CSWA Exam Content 7-5
Why the CSWA Exam? 7-8
Obtain the CSWA Certification 7-9
Prepare to pass the CSWA exam 7-9
CSWA Provider 7-9
Exam day 7-10
What do I get when I pass the exam? 7-10
Basic Theory and Drawing Theory 7-13
Category Questions 7-13
Part Modeling 7-18
Sample Questions in the category 7-18
Advanced Part Modeling 7-25
Sample Questions in the category 7-25
Assembly Modeling 7-31
Sample Questions in the category 7-31
Advanced Modeling Theory and Analysis 7-26
Sample Questions in the category 7-26
COSMOSXpress/SolidWorks Simulation Interface 7-36
Sample Questions in the category 7-27
Definition review 7-40
